St. Albert Help Society ready to go to work

The St. Albert Help Society is ready for business, says Mrs. Rachel Paton, society supervisor.

Recently formed to deal with emergency situations in the home, Mrs. Paton says two qualified homemakers have been hired and trained and are ready to be placed in homes requiring their help.

Fully-qualified in childcare and housekeeping, the supervisor says the homemakers can be expected to take-over the care of a family during the absence of the parents or parent.

To place a homemaker in a home Mrs. Paton will first

plan the homemaker's duties with each individual family and fees within the family's means will be established.

Mrs. Paton explains that fees are established on a sliding scale, depending on income, size of family and circumstances. She says the society, although formed by a local citizens board under the chairmanship of Mrs. Myrna Fyfe, is a government service, part of the cost-sharing program under the Department of Preventive Social Service.

Before a homemaker is placed in a home the society stresses the following points:

* Homemakers do not provide extensive nursing care.

* They are not expected to do heavy housecleaning or babysit for working or vacationing parents.

* Homemakers are not allowed to remove children or property from the home unless given special authorization.

* Homemakers will not discuss fees with the family.

Mrs. Paton expects many of their cases will come through the VON or social workers, however individuals requiring assistance may contact Mrs. Paton at 599-5159.

STAFF SGT. GORDON SINCLAIR WITNESSES CHANGE OF COMMAND
... Sgt. Ken Brown (left) takes over from Sgt. Ken Williams (right).

Sgt. Fred Brown new St. Albert RCMP chief

Sgt. Fred Brown has assumed command of the St. Albert detachment of the RCMP, taking over from Sgt. Ken Williams who has been transferred to K Division headquarters in Edmonton.

Sgt. Brown, a 22-year veteran with the force, has

been in Alberta for 10 years, the last six in Edmonton and the first four in Calgary. He was born in Etonia, Sask., but was raised near Truro, Nova Scotia, where he joined the force in 1948 at the age of 19.

He was stationed in New Brunswick for three years, being transferred to British Columbia in 1951. In 1954 he was moved back across the country to Newfoundland, where he remained until his transfer to Alberta in 1960.

Although Sgt. Brown has spent the past 10 years working in cities, he is no stranger to town police work as most of his early days in the force were spent in smaller centres.

"I've shaken door knobs many times," he told The Gazette.

Sgt. Brown was attached to Criminal Investigation Branch Readers with K Division Headquarters, the group which ensures proper policy is followed by detachments in regards to the force and attorney-general's department.

Sgt. Brown, who resides at 12919 90th St., is married and he and his wife, Marlene, have two sons and a daughter.

Sgt. Brown will have 10 town, four detachment, and four highway patrol RCMP under his command.

Sgt. Williams, who will move into the readers department, has been in charge of the St. Albert detachment since Sept. 6, 1968. He and his family make their home at 13 Granite Ave.

Sgt. Williams joined the force in 1949 and has been engaged in RCMP work in Alberta for the past 19 years.

He officially handed over command of the St. Albert detachment on Tuesday afternoon. Staff Sgt. Gordon Sinclair supervised the change of command.

Fire Dept. increases fulltime complement

The St. Albert Fire Department may have a man on duty at the hall 24 hours a day, seven days a week, by Feb. 1.

Chief Fred Tetarenko set Feb. 1 as the target following the addition of two full-time men to the department Jan. 2, raising the department's full-time complement to five.

When obtaining council's permission in the fall to raise the full-time complement from two to five to provide full-time manning of the hall, the chief had indicated a two-month training period would be required.

But he said Monday training would be stepped up and an all-out effort made to put the plan into operation a month earlier.

Jim Gordon of 31 Sorrel Cres. and Lee Berg of 115 Grosvenor Blvd. are the two new full-time men. Mr. Gordon was formerly employed by Gerun and Oleschuk Trucking Ltd. of Edmonton and Mr. Berg worked for Safeway in the city.

Frank Ricard, a long-time volunteer, joined the department on a full-time basis in October.

Previously the chief and Senior Captain Paul Poulin were the only full-time members.

The full-time crew will still be augmented by the volunteer brigade. Manning of the full-time, however, will enable the firemen to get the pumper truck to the scene of the fire sooner and relieve the volunteers of this heavy responsibility.

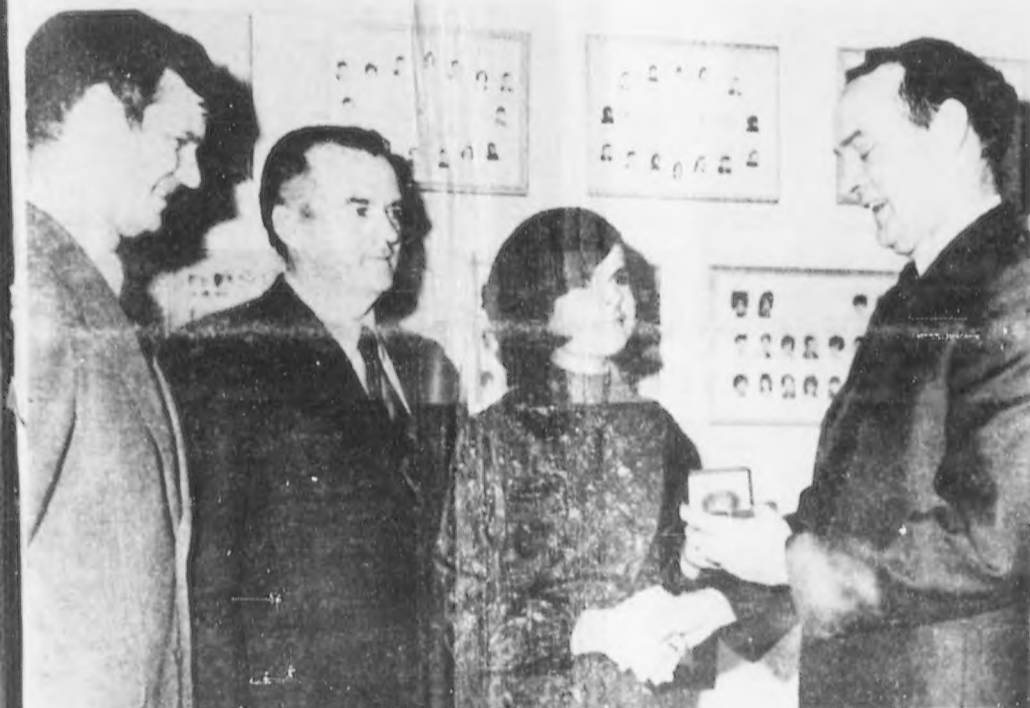

Comets top Legal 17-3

St. Albert Comets took out all the stops and hammered Legal Citadel Canadiens 17-3 in a Sturgeon River Senior Hockey League game at Morinville on Tuesday night.

Dan Vars and Jim Read

each scored three goals for Comets, Richie Perrault, Fred Hesse, Dan Roberge and Terry Dube each two and Ron Yanosik, Art Scott, and Doug Knisely one each.

G. Denis, with two, and C. Cyr scored for Legal.

Eva Marie Kaminski receives a bronze medal, awarded by Governor-General Roland Michener, from Dave Fraser, chairman of the public school board. Eva received the medal for tying with two other students, one from Sir Alexandra Mackenzie school, for achieving the highest standing on the Grade 9 departmental examinations from among candidates in the Sturgeon School Division and Edmonton non-division school districts. St. Albert High School Principal Ross Johnson, left, and district Superintendent V. J. Maloney look on.

Sheryl Joyce Kyle of Sir Alexander Mackenzie Junior High School receives Governor-General Roland Michener's Bronze Medal from Charles Schroder, chairman of the St. Albert Protestant Separate School District, while Principal Rod Thronson, left, and acting superintendent Jack Black look on.

RECREATION Hi-Lites

SQUARE DANCING

The St. Albert Saints and Sinners held their regular dance last Saturday in Sir Alexander Mackenzie School. Next Saturday, Jan. 10, they will be the guests of the Fort Saskatchewan Square Dance Club.

The Beginners' Club will resume their weekly sessions in the Clubhouse on Friday at 8:30 p.m.

Information about square dancing in St. Albert can be obtained by phoning the president, Mr. Gordon Main at 599-8086.

YWCA

The Y Neighbors met on Monday, Jan. 5, in the Com-

munity Hall. This was the first session of a 12-week program which will be held every Monday from 9:30 - 11:30 a.m. Each session consists of keep-fit, followed by a program which will vary from week to week. On Jan. 12 there will be a wig demonstration and following that, talks and demonstrations are being arranged which are of general interest to women: fashion, consumer affairs, crafts, entertaining, etc.

The cost of the program is \$8 plus a yearly Y membership of \$2 for those who are not already members. All ladies are welcome and

the Community Hall provides ample space for the pre-schoolers for whom a baby-sitting service is provided. Babies may be brought in car beds. A charge of 25 cents per child covers the cost of supplies, juice, cookies, etc.

MEN'S SOCCER

The St. Albert Bruins won their game last Sunday against the Ital-Canadians by a score of 1-0. Fred Austin scored for the home team.

Indoor training has resumed in Father Jan School on Tuesday evenings at 7:30 p.m.

BRIDGE

The St. Albert Bridge Club will meet on Sunday evening in the Community Hall at 7:30 p.m. New members will be very welcome and information about the Club can be obtained by phoning Rupert Haselgruber at 599-3744 or Bud Ahronson at 599-6945.

YMCA

The program sponsored by the YMCA resume this week after the Christmas recess: basketball on Tuesday and Thursday, Swedish Gym on Thursday, Children's Gym on Tuesday and men's keep-fit on Wednesday. Information about these programs can be obtained by phoning Mrs. Phillips at 599-6445.

TABLE TENNIS

The Hercules-sponsored table tennis program was scheduled to resume on Tuesday, Jan. 6, in the Clubhouse. This program is held on Tuesdays and Thursdays. The 10-12 year olds play from 7 - 8 p.m. and the 13's and over from 8 - 9 p.m. Parents are welcome to watch and supervise - as well as play.

BASKETBALL

Basketball, coached by Mr. John Field, started again on Monday, Jan. 5 at Sir George Simpson Junior High School.

Miss Linda Yeats Snow Ball Queen

LINDA YEATS

A brown-eyed brunette, 16-year-old Linda Yeats, daughter of Mr. and Mrs. Ronald Yeats, 4 Gillian Cres. was crowned Snow Ball Queen at Paul Kane High School's Christmas dance held at the Club Mocombo. A grade 11 student at Paul Kane High School, Linda was chosen by the number of tickets she and her student sponsors sold to the Snow Ball. Proceeds went to the Paul Kane Student's Union, candidates prizes and a transistor radio door prize. First runner-up was Sherri Tomlinson, followed by Mary Jamison, Betty Harrison, Shirley Johnson and Elizabeth Briggs. Elaine Menier, last year's queen, crowned the new queen.

Salesman: "This model has a top speed of 130 miles an hour, and she'll stop on a dime."

Prospect: "What happens then?"

Salesman: "A little putty knife comes out and scrapes you off the windshield."

Teens working hard to revamp centre

A group of about 15 St. Albert teen-agers put in some long hours at the teen centre over the holidays and the building is starting to show the signs of their efforts.

The kitchen has been painted and the music room in the back of the building is on its way.

The teens have log panelling for all the rooms, purchased with a \$144 loan from the holiday apostolate group which carolled throughout the town just prior to Christmas.

Richard LeBlanc, one of the members of the teen executive, said organizations in the city had been approached to see if there was any way in which they could assist and as a result a representative of Coca Cola Ltd., visited the centre.

Richard said there was a possibility the firm would be installing a soft-drink dispenser in February.

The teens have still set the end of January as the target for the reopening of the centre.

MOUNTIES TAKE UP CHASE ON POWER TOBOGGAN
... Constables Robert (Monty) Montague and Lawrence Johannes

RCMP put power toboggan to work

The St. Albert detachment of the RCMP have obtained a power toboggan to help them keep the snow-crusing public within the bounds of town bylaws.

Sgt. Ken Williams said Monday the detachment's members had been familiarizing themselves with the power toboggan's operation for the past week.

He said in that time some warnings had been issued but from now on violators would be subject to prosecution.

Council authorized the obtaining of a power toboggan after numerous complaints were received at the town hall and RCMP office regarding noise made late at night by power toboggans roaring up and down the Surgeon River.

RCMP were unable to catch the offenders as they had no vehicle that could follow them.

Town council recently relaxed its bylaw governing power toboggans to enable residents to get their machines to unrestricted areas without the need of a trailer.

Power toboggans under the amended bylaw may be operated on the road during daylight hours under the following conditions:

1. They travel on the extreme right of the roadway.
2. They travel directly to the unrestricted area.
3. They travel at a speed of 10 m.p.h. or less.
4. They are operated without passengers other than the driver.

They cannot be operated on walkways or sidewalks. Sgt. Williams said the changes were made to accommodate residents of the town but they were considered to be on a trial basis.

If the privileges were abused, then council would be requested to exclude them.

Sgt. Williams said some smaller towns may allow power toboggans to travel on roadways at will and at all times, but this would probably be in centres where there were not many motor vehicles and thus there would not be a safety hazard.

Under the St. Albert bylaw, operators of power toboggans must be at least 14 years of age. There is no provincial restriction regarding age.

Second Class Registration
Number 1330

New course in winemaking

A course of special interest to wine enthusiasts will be offered by the St. Albert Arts and Crafts Guild in the winter session of classes beginning Jan. 26th.

The 10-week course will be a detailed study of winemaking, including beer, sparkling wines and champagnes.

Instructor will be Mr. Brian Parsons of Wine Arts, who will include in the instruction the history of wines, classification of the various types of wines as well as practical demonstrations of various procedures and processes. There will be instruction and practice in acid testing and proper use of the hydrometer and Mr. Parsons will provide recipes and professional tips to assist would-be wine-makers.

Fees for the course are \$10 per person or \$15 per couple and the classes will be held Monday evenings from 8 to 10 p.m. in the Clubhouse.

For additional information or to register for the course call Mrs. Karen Grant, 599-8524.

Wildcats top Bruins in midget puck tilt

St. Albert Wildcats evened their record in the Highway 16 West Midget Hockey League at 2-2 Monday night as they defeated their cross-town rivals, the Bruins, 2-0 at Grosvenor rink.

Earl Berg and Doug Belcourt provided Wildcats' scoring punch while George Bonneville turned in a solid performance in goal.

The shutout was Bonneville's second in the two games he has appeared in goal for Wildcats. He kept Spruce Grove at Bay as Wildcats picked up their other win 5-0. Wildcats' losses came at the hands of Wabamun, 5-4; and Tomahawk, 5-2.

The game was cleanly played, with only five minor penalties.

The loss was the second straight for the Bruins, who earlier fell 5-2 to Stony Plain. They could get right back into the thick of things this weekend, however, as they meet Onoway at the Grosvenor rink at 8 p.m. Friday and travel to Spruce Grove for a game at 2 Sunday afternoon.

Wildcats don't play again until Monday night, when they will play host to Devon at Mission rink at 8.

HOCKEY NOTES

Jim Pudlowski left for Estevan last weekend to try for a spot on the junior Bruins of the Western Canada Hockey League.

Jim, the son of Mr. and Mrs. Frank Pudlowski of 16 Mural Cres., started the season with Brandon Wheat Kings but was released after he picked up an injury.

He played a couple of games with St. Albert Comets before getting a call from Estevan coach Ernie MacLean last week. MacLean will look Pudlowski over in a couple of exhibition games against a team from the United States.

The Wildcats are coached by Harry Bellerose. Alex Potter is handling the Bruins. The midgets are travelling to out-of-town games in a bus donated by Bud Berg

of 18 Sheridan Drive, who owns the Berg Location Clearing. The bus is also available for other minor hockey groups providing they have a qualified driver.

A group of eight St. Albert girls brightened Christmas for many of St. Albert's senior citizens. Janet Coghill, Vivian Dronyk, Debbie Rutledge, Barbra and Debbie Sugg, Debbie Spencer, Kathy Taylor and Dawn Tomlinson entertained at the Norwood Auxiliary Hospital on Dec. 23 and at the Youville Home on Christmas Eve. The singing troupe was formed after the girls at a get-together asked themselves what they could do to "make this a happy Christmas." Ralph Peach of Edmonton accompanied them on the piano.

Around Town

For social items and club events phone Mrs. Karen Grant at 599-8524.

Two television sets were recently purchased and presented to residents of the Youville Home by the Youville Auxiliary.

Members of the auxiliary are reminded that the regular meeting will be held Tuesday, Jan. 13 at 8 p.m. at the home.

** ** *

The St. Albert Badminton Club resumed play on Jan. 5. Games are played Monday, Tuesday and Thursday evenings from 8 - 10:30.

** ** *

Dr. Theodore L. Reid and family spent Christmas in St. Albert visiting at the home of his mother, Mrs. Henrietta Reid, and brother Glen Reid and family.

Dr. Reid graduated in honors chemistry at the University of Alberta and received his Ph.D. in organic chemistry at Ames, Iowa.

The families are now on a ski holiday in Banff National Park, after which Dr. Reid and family will return to Washington, D.C., where he is employed at the National Science Foundation as an associate program director.

** ** *

"I'd like you to come right over," a man phoned an undertaker, "to supervise the burial of my poor wife."

"Your wife?" gasped the undertaker. "Didn't I bury her two years ago?"

"You don't understand," said the man. I married again."

"Oh," said the undertaker. "Congratulations!"

Home for the holidays from England is professional opera singer Cameron Ross, son of Mr. and Mrs. Neil Ross, 306 St. Albert Road. Well-known in England for his roles with the Glyndebourne Summer Festival and his tours with the same company, Cameron attended the University of Alberta for his bachelor of arts degree and teaching certificate. He studied singing under Catherine Wendell in Edmonton before leaving for England. Pursuing a diversified career, the young singer has also taken parts in a repertoire company in the productions Pantomime, Prince Charming and Cinderella and has sung on British television and radio as well as doing some modelling. An untimely ski-doo accident has prolonged Cameron's visit home but he plans to return to England soon to resume his singing career.

ALBERTA'S AGRICULTURE MINISTER RUSTE URGES

Cautious with DDT

Indiscriminate dumping of DDT insecticide down household drains and sewers could create greater pollution problems than those which governments are trying to resolve, warns Alberta's agriculture minister H. A. Ruste. Referring to the recent decision of the federal government to sharply limit the use of DDT in 1970, Mr. Ruste said present stocks of DDT can be used in accordance with instructions and warnings printed on the container. However, after present supplies have been used up the number of food crops on which the insecticide may be used will be reduced from the present 62 to 12.

In addition to placing a limit on the number of crops on which DDT may be used the federal government has said that the chemical may not be used on any large scale program to control such insects as mosquitoes and biting flies in urban communities, parks, recreation areas forests and so on.

JANUARY WHITE SALES

By Patricia Prymak,
District Home Economist.

Have you taken stock of your linen closet lately? If you need new sheets and pillowcases, there is no better time than now to go on a shopping spree. In January, linen departments hold traditional "white" sales.

WHAT TO LOOK FOR WHEN BUYING BEDDING
Quality is your guideline for the best buy. Quality is determined by the thread count (number of threads woven in one square inch) and the balance of lengthwise and crosswise threads in one square inch, (e.g., a sheet labelled 100 x 100 is better balanced or more even weave than one labelled 13 x 107).

Trade names that denote quality: Percale: 180 - 200 thread count. Muslin or "Homestead" 130 - 140 thread count.

ARE "NO IRON" SHEETS REALLY ADVANTAGEOUS?
Yes, for general everyday use, especially in large families, these practical sheets are great time and labor savers.

HOW TO RECOGNIZE TOP-QUALITY SHEETS QUICKLY
Hems tell the craftsmanship story. They should be straight, neatly finished with close even stitches and have closed ends, either tacked or back-stitched to prevent unraveling.

WHAT TO KNOW ABOUT WEAVE
A loosely woven sheet wears out quickly, soles and wrinkles easily. Too tight a weave doesn't let water and suds through. Hold the sheet up into the light and check the sheen.

WHY DO SHEETS NEED TO "REST"?
Sheets used constantly wear out more quickly. If given a time to rest in your linen closet, they dry out completely, don't have to withstand such continued pressure from bed-making, laundering and ironing.

HOW TO CARE FOR COLORED SHEETS
Need no more care than white sheets - will keep their color if treated as carefully as you do your white sheets. Mild bleaches can be used safely.

IS THE SELVAGE OF A SHEET IMPORTANT?
Very! Good sheets have a firm, strong selvage that is clean and neat, without loose, unruly threads.

HOW CAN YOU TELL WHEN A SHEET IS "FILLED"?
Rub parts of the sheet together, or snap the fabric briskly. If a fine dust or white powdery substance appears, the sheet is "filled" to make it appear a better quality than it is. This filling washes out in the first laundering.

So, read the label for your guide to quality linen.

Where householders wish to dispose of any small amounts of DDT rather than use it this should be done by normal garbage pick-up for burial at garbage disposal sites. Farmers without access to such disposal are advised to bury the chemical and the container at least 18 inches deep in a location away from streams, water courses, dugouts, wells and other water supplies.

Mr. Ruste said Alberta's position on DDT use and restrictions will follow very closely the federal government's policy. However, in accordance with recommendations made by both the Alberta Interdepartmental Committee on pesticides and the Western Canada Committee on crop and livestock pesticides a complete ban will not be ordered at this time. For a number of years said the minister, the Alberta department of agriculture has recommended the use of less persistent insecticides, and will continue to do so.

Jan. 18 to 30, 1970, are the days on which the above course will be held. The object of this course is to prepare potential leaders of farm organizations, band councils and rural community groups and to further develop leadership skills in those who are already involved in the demanding task of community leadership.

The course will be held at the Banff School of Fine Arts and participants are asked to arrive at the school on Sunday, Jan. 18, before 5:30 p.m. The opening session will begin Sunday evening - the course will end at noon, Friday Jan. 30th.

Candidates should be over 20 years of age and active in organizations serving farmers, small communities or Indian reserves.

The total cost of the two-week course is \$124. A \$40 registration fee is payable by all participants; scholarships valued at \$84 are available through the following sponsoring organizations: Alberta Wheat Pool, United Grain Growers, Farmers' Union of Alberta, United Farmers of Alberta Co-operative.

Applications and further information regarding this

Leadership course offered

course are available from your D.A.'s office or The Community Resources Development Division, Department of Extension, University of Alberta, Edmonton 7, Alberta.

Applications must reach the Department of Extension by Jan. 12, 1970.

Storing turkey

1. Large pieces of meat, which are pulled off the carcass whole, not sliced. Uses: reheat in foil with dressing; broil with barbecue sauce until hot and lightly browned; dip in batter or egg and crumbs and deep fat fry; coat with mayonnaise, serve on lettuce; garnish with chopped toasted almonds.

2. Smaller chunks - may be diced for salads, sandwiches, casseroles or a la kings.

3. Tidbits and skin-use in soups; grind and use in croquettes or sandwiches.

4. Dressing - reheat in foil with turkey or separately; serve cold with sliced cold turkey; add to turkey sandwiches.

Cyclamates

The decision has been made to discontinue the use of the artificial sweetener, cyclamate, in dietetic products. New scientific evidence has been found, indicating that MASSIVE doses of cyclamates over a lifetime period has caused tumors in rats.

What brought about this new evidence?

Results of experiments showed rats that developed cancerous tumors. The rats were given 2500 milligrams of cyclamate per kilogram of body weight for 104 weeks (almost their entire life span).

On a body weight basis, a 150 lb. man would have to consume 500 8-ounce bottles of low calorie drink each day of his entire life to compare with the amount given to the experimental rats. There is no evidence to date that cyclamates have caused any harmful effects in humans. In fact, animals receiving a daily dose of cyclamate, equivalent on a body weight basis to an intake of 200 8-ounce low-calorie soft drinks by a 150 pound man did not show any tumor development.

What is the phase-out schedule?

Foods containing cyclamates will be removed from the market as follows:

Low-calorie soft drinks and mixes - Nov. 30, 1969.

Dietetic jams, jellies and desserts - April 1, 1970.

Dietetic canned fruits - Sept. 1, 1970.

For diabetics or others who might require artificial sweeteners, soft drinks and canned fruits containing saccharin or a saccharin-sugar mixture will be available after the above dates. The label will carry a declaration of the contents. Saccharin is not a cyclamate, and has been used for more than 75 years with no known health hazard. However, it is being given top priority to long term studies.

If you have dietetic foods left in your cupboards, do not throw them out. A moderate use of these foods within limits of a prescribed diet does not constitute a health hazard.

Miss Borg, the department of agriculture's food and nutrition specialist, feels that anything in excess is harmful - even too much food!

Comets down Morinville

St. Albert Comets of the Sturgeon River Senior Hockey League over the years have become known as a third-period team—scoring late to pull apparently lost games out of the fire.

Sunday afternoon, they had to combine the fast finish with a fast start to pull out a 7-5 victory over Morinville in Morinville Arena.

Comets had things pretty much their own way in the first period, piling up a 4-0 lead. The tide turned in the second, however, and Morinville dominated play to now the deficit to 4-3.

Comets got the jump in the third period, scoring two fast goals, and although Morinville struggled gamely they never really came close again.

They had a golden chance when Comets picked up minor penalties simultaneously, but goalie Ray Bussche faced only one weak shot the two minutes Comets were two men short.

Fred Hesse led Comets' scorers with three goals. Richie Perrault, Dan Vars, Art Scott and Dan Roberge

got the others.

John Shrum, with two, and Al Beault and O'Neil Chevalier scored for Morinville.

The victory was Comets' fourth in five starts. Their other wins came over Spruce Grove, Legal and Westlock and their loss from the hands of the Vimy Rockets.

St. Albert picked up eight penalties in the Morinville game and Morinville had four. Jim Read of St. Albert and Adolf Yeske of Morinville received majors for fighting.

Hesse, Terry Dube, Joe Cassidy, Scott and Ray Lamer scored for Comets in their 6-5 loss to Vimy. Darcy Baert and Ray LaPointe each scored two goals for the Rockets and Art St. Armand and Pete Provencal got one each.

The game was one of the roughest of the season, St. Albert taking 12 penalties and Vimy 11. Ray Lamer of St. Albert and George Turcotte of Vimy received fighting majors in the second period and Art Scott of St. Albert and Ray LaPointe of Vimy received the same sentences for a scrap in the third.

Roberge and Dube each scored twice and Hesse once as Comets downed Westlock. Wayne Rimmer, with two, and Vic Demers scored for Westlock.

In other recent games in the league, Morinville got its first win, downing Legal 7-6 in Legal, O'Neil Chevalier, George St. Laurent, Yeske, Henry Warunk, R. Massey and Rene Chevalier scored for Morinville.

Morinville later lost to Westlock and Spruce Grove 11-6.

St. Laurent, A. Maloney, Robert Hogg, Rick Pugliese, Norm Bohl and Guy Chaili four counted the Morinville goals against Spruce Grove.

St. Albert will travel to Barrehead on Friday night, then meet Spruce Grove in Morinville Arena on Sunday afternoon at 2:30 p.m.

In other games at the weekend, Spruce Grove will visit Vimy Friday night and Legal will play Morinville the same night. On Sunday, Vimy will visit Legal and Barrehead will play at Westlock.

Wilson wins over U.S. fighter

Donnie Wilson of St. Albert pounded out a unanimous decision over Eddie Falcon of Great Falls, Mont., on a fight card in the U.S. centre Saturday, Jan. 3.

Wilson, 16, had little trouble handling Falcon, 20, who was one win away from winning a berth on the 1968 U.S. Olympic team in the 119-pound division.

Wilson's handlers felt the two-minute rounds in the U.S. gave their boy a decided edge. Used to going three minutes in Canada, Wilson was able to open up almost right through the two-minute sessions.

"Donnie threw a lot of punches," one said. "He belted him plenty and he must have thrown 500 that missed the mark."

Wilson had trouble catching up with his more-exper-

enced opponent, but scored well the times he managed to close him off in a corner. Efforts are being made to line up a fight for Wilson

on a card in Edmonton on Wednesday, Jan. 14. Feelers have been sent out to Vancouver and points in Saskatchewan.

50th Anniversary

Former residents of the Barrehead district, Mr. and Mrs. Matt Schmaus, were recently honored at a reception to mark their 50th wedding anniversary.

The couple's daughters, Mrs. Jack Werbluck of St. Albert and Mrs. E. Olson of Sherwood Park, were in charge of an open house at Mrs. Olson's home which was attended by 150 guests.

Mr. and Mrs. Schmaus were married in Ross Creek, Alberta, in 1919 and farmed there before moving to a farm in the Barrehead district. In 1954 they moved to Calgary and for the past six years have made their home at Aldergrove, B.C.

Their family includes two sons, six daughters, 20 grandchildren and three great grandchildren.

In honor of their golden anniversary messages of congratulations were re-

ceived from Prime Minister Pierre Trudeau, Gov.-Gen. Roland Michener, Premier Harry Strom, Lt.-Gov. Grant MacEwan and Sec. Gen. F. U. Butler.

High school rinks enter playdowns

Four St. Albert rinks will travel to Athabasca Satur-

day to compete in the Zone 5 schoolboys curling playoff. Jan Donalds' rink from St. Albert High School won the zone final last year, putting together six straight victories after an opening-game loss. Donalds bowed out in the northern final.

The Paul Kane rink that won one game and lost two in the zone playoff last year is back almost intact but with a switch at the T-line.

Max Dupilka, who curled third for Don Mitchell last year, this time around will be skipping with Mitchell throwing rocks from the third position. Dave Wright is back at second, which

leaves only lead Barry Ladell missing from last year. Erik Gillett and Ken Love are contenders for the open spot.

Three rinks from St. Albert High School are playing off tonight to decide the two which will travel to the zone playoff. Personnel are:

Bruce Hittinger, skip; Richard Rinquette, third; John Oliphant, second, and Richard Palmer, lead.

Eric Joly, skip; Julian Romanko, third; Don Kennedy, second; and Keith Grant, lead.

Todd Cassidy, skip; Rene Borle, third; Martin Soetaert second; and Allan Bokenfohr, lead.

Larsen scores victory

Fourteen-year-old Gary Larsen of St. Albert scored a unanimous decision over David Conroy of the South Side Legion on a fight card held in the city recently.

Larsen, 95-pound Alberta junior champion, now will face a challenge from Danny Kirkoff of Taber, either in Taber on Saturday, Jan. 10, or in Edmonton on Jan. 24. If Larsen can hold onto

his title, he will be a member of the Alberta team that will travel to Vancouver early in February to compete in the Silver Gloves tournament there.

On the same card that Larsen scored his victory over Conroy, Brian Hamper of St. Albert was losing a close decision to Brad Hortie.

Larsen and Hamper are fighting out of the St. Matthew's club in the city. Hortie is an independent.

In other boxing news, eight-year-old Kevin Jewett of St. Albert will travel to Taber on Saturday to fight in the 70-pound division of the Bronze Gloves tournament.

Kevin, who only started fighting this year, has one win and one loss behind him.

HOCKEY NOTES

St. Albert Fire Department Pee-wee Hockey Club took on last year's players and a couple who had graduated the year before in a game at the Mission Rink last Wednesday.

The graduates won 5-2, with Richard Carignan and Steve Hoffart each getting two goals and Jack Werbicki the other.

Mathew Cassidy and Sandy Millroy scored for the regulars.

St. Albert Singers, a community choir for mixed voices will resume rehearsals on Thursday, Jan. 8, at 8:30 p.m. in the lower hall of the United Church.

The Singers recently participated in the Edmonton Rotary Carol Festival, and also organized the highly successful St. Albert Carol Festival held just before Christmas in the Community Hall.

Current plans include entry in the Kiwanis Music Festival, and the preparation of music for a variety concert in the spring.

New members are always welcome, the only qualifications being an eagerness to sing and a willingness to rehearse regularly on Thursdays at 8:30 at the United Church.

For further information contact the director, Mrs. Lillian Upright at 599-6997.

Paul Bradley of 10605 112th St. was a happy man when he received the keys to a power to bogan he won in a raffle St. Albert Lions Club ran to raise funds for the arena. Mr. Bradley received the keys from Lion Chick Armit, who sold him the winning ticket. Lion President Rod Holman looks on.

Family bowling tourney

A folks and kids bowling tournament is being planned for the Grandin Lanes later this month or early in February.

Organizer Eric Robinson said children can participate with any adult and win prizes, but if they wish to have an opportunity to participate in the provincial championships they must bowl with fathers or mothers.

He said the local tournament will be arranged so that parents can bowl on different shifts if they wish to compete with more than one child.

The provincial parent and

young championships will be held on March 15. It is expected they will be held in Calgary. To compete in the provincial championships, membership in the Young Bowlers Association is required. It will not be a requirement, however, for the local tournament.

Entries should be submitted to Mr. Robinson at 9 Gresham Blvd. (Phone 599-3561), or Grandin Lanes no later than Jan. 10. Entry forms may be obtained at Grandin Lanes.

Mr. Robinson has indicated lanes will be reserved

for a single or several afternoons, depending on the response.

RCMP ready to save Santa an extra trip

Santa lost a parcel on his trip through here this Christmas, but it's in safe hands.

The parcel, a large gift-wrapped package containing salad bowls, was found on Sir Winston Churchill Avenue and turned in to RCMP.

They're willing to deliver it, but they haven't got the address. The package was unmarked.

Maybe someone who knew someone who was expecting salad bowls for Christmas will turn up to identify the contents and complete Santa's job.

Schinkinger wins Consols playoff

Kurt Schinkinger held off a determined bid by Roger Comeau recently to win the right to represent the St. Albert Curling Club in the Zone 5 Consols playoffs.

Schinkinger and rinkmates Gerry Fisher, third, Rami Hoddes, second, and Kevin Byrne lead, won A event of the double-knockout competition, dropped a game to Comeau who had come out of B, then turned around and

bumped Comeau out of it. Curling with Comeau were Frank Comeau, third, Lawrence Kluthe, second, and Andre Rouault, lead.

Schinkinger's next action will be on Jan. 24 and 25 when the zone playoff is held at the St. Albert Club. The 16-zone northern final will be held at the Derrick Club in Edmonton early in February.

Ski lessons to start

Ski lessons will begin at the St. Albert Ski Club near the rodeo grounds on Saturday morning.

Instructor Dick Porteous will give lessons for children during the day and then lessons for adults will commence on Monday night.

For further information regarding lessons phone -- 599-4585.

The two operated for the first time last weekend and will be in operation, unless weather dictates otherwise, the rest of the winter.

Bonspiel gaining in popularity

The St. Albert men's open bonspiel appears to be gaining in popularity.

When entries closed for the bonspiel, which opens Monday, 110 rinks had sought a position in the starting field of 64.

"We took the first 64, but the next 20 on a standby list, then told the rest we just

couldn't handle them" rink manager Art McCormack said Monday.

The opening draw will start at 7 Monday night and there will be two draws nightly through Friday. On Saturday and Sunday the action will run all day.

Roger Comeau won the 1969 bonspiel, putting to-

gether a string of six victories. He's entered again as are Hoc Gervais, Kurt Schinkinger and Bill McCallum, all well-known in the curling world.

There are 30 local rinks, 28 from the city and six from district points.

Actually, according to the club manager, the St. Albert club is having its busiest season all around. There are 36 men's rinks, 54 mixed, 38 ladies, 32 school and some contract rentals using the ice.

Around Town

St. Albert couples Mr. and Mrs. Tony Taylor and Mr. and Mrs. Elmer Harrison were among the guests at a Christmas party held by the Lt. Gov. Grant MacEwan and Mrs. MacEwan at their home.

St. Albert Kinette Club extends a "thank you" to all who assisted in their Christmas hamper project by donating cash and gifts.

This year 39 hampers were filled and delivered to needy families in the area.

For social items and club events phone Mrs. Karen Grant at 599-8524.
